1. **Permission for Access:** I agree to allow San Francisco Energy Watch Program staff or subcontractors access to my facility to evaluate possible energy efficiency measures. I realize that this may require Program staff to extend ladders, and to open fixtures and service hatches throughout the property.
2. **Liability:** I understand Ecology Action is receiving funds from PG&E for the San Francisco Energy Watch Program, but the parties agree that PG&E is not liable to either party for any losses or damages, including incidental or consequential damages, arising from this Agreement.
3. **I understand that receiving this free evaluation does not obligate me in any way,** nor does it guarantee that Program benefits will be extended to my business.

California consumers are not obligated to purchase any full-fee service or other service not funded by this program. The RightLights Program is implemented by Ecology Action and is funded by California ratepayers under the auspices of the California Public Utilities Commission.

Los consumidores en California no están obligados a comprar servicios completos o adicionales que no estén cubiertos bajo este programa. Este programa está financiado por los usuarios de servicios públicos en California bajo la jurisdicción de la Comisión de Servicios Públicos de California (CPUC).

I agree that this form and other related customer records provided to Ecology Action shall be treated as if they are public records under the California Public records Act and the San Francisco Sunshine Ordinance and will be made available to members of the public upon request if these laws require such action.
