POWER MANAGEMENT SOFTWARE INCENTIVE APPLICATION & INSTALLATION VERIFICATION FORM

Commercial Plus Program

REQUIREMENTS

1. Contractor must be enrolled in the San Francisco Energy Watch Multifamily and Commercial Plus Programs as a Participating Contractor.
2. Contractor must provide an original signed Incentive Application Form, and a Site Access Agreement signed by the customer allowing access for pre- and post-installation verification by San Francisco Energy Watch.
3. Eligible equipment must be: (1) new (not used or rebuilt); (2) purchased by the customer (not leased); and (3) installed in a facility receiving electric and/or natural gas service from Pacific Gas & Electric Company, located within the City and County of San Francisco.
4. Contractor and customer must agree to quality assurance site visits made by San Francisco Energy Watch to confirm that the installation is complete and that installed equipment meets required specifications.
5. Contractor and customer have not received incentives from any other energy efficiency program for the installed equipment.
6. Incentive payments for the project may not exceed the cap of 100% of project cost.
7. Only projects completed after December 31, 2009 and before December 31, 2012 are eligible for incentives.
8. Incentive funds are limited and subject to change without notice. Completed Installation Verification Form along with itemized invoices for all equipment should be submitted within 30 days of project completion and must be submitted no later than December 31, 2012.
9. San Francisco Energy Watch reserves the right to publicize contractor's participation in the Multifamily and Commercial Plus Programs unless contractor specifically requests otherwise.

SIGNATURES FROM BOTH THE CONTRACTOR AND THE CUSTOMER ARE REQUIRED

I certify that the information presented here, including any change orders, is correct and that all equipment and materials used in the retrofit project, have been furnished and installed according to equipment specifications and the work has been completed satisfactorily at the site listed above as part of the San Francisco Energy Watch Multifamily and Commercial Plus Programs.

By the signatures below, Contractor certifies that all products and labor have been warranted as required and that Customer is fully aware of such warranties.

By the signature below, I certify that I have not accepted any financial incentives (i.e., incentives offered by Pacific Gas & Electric or any other energy-efficiency program towards work that is covered by this application) from a source other than San Francisco Energy Watch for the measures in this project.
